CAMP ANGEL WINGS: Camp Angel Wings is a two-day bereavement camp in Assonet, MA for children and teens, ages six through 15 who are grieving the loss of a loved one. Camp Angel Wings was developed for children and teens who share similar experiences with grief. The camp provides them with an educational, therapeutic experience that is also enjoyable. The camp helps counter a sense of isolation that children can feel after losing a loved one. Participating in activities such as swimming, focused arts and crafts activities, and small discussion groups can help children and teens explore their many thoughts and feelings about grief. It also encourages them to try new or familiar activities that help them feel good about themselves. To learn more about Camp Angel Wings or to sign up, call **(508) 973-3426** or email campangelwings@southcoast.org.

May you feel the joy of the presence of *Jesus*.
The *Lord* has Risen to bless us.
This Easter I pray that the love of *God* is Resurrected,
Reborn and Renewed in your Hearts.
Wishing you all a *Happy Easter!*
