## **SECOND SUNDAY OF ADVENT:**

O holy, patient and loving God, in this season of awaiting the coming of Our Savior, it is sometimes difficult to remember that this is a holy time. The distractions of the holidays are many. While many of the things that we do not need come in packages gleaming and bright, help us to remember that the one gift that will last forever comes from you alone as we grow in our awareness of your love. Bless us all and the company we share. Increase in us a growing urgency to celebrate the birth of your Son, in whose name we pray. Amen
