*Find the FUN in DysFUNction*

Presenter: Dottie Levesque

This evening seminar will examine the effects and affects of having been part of a dysfunctional family that did not recognize emotions, process them and grow from them. It is important to know that it is never too late to learn: 1/ sadness is not the foundation of life; 2/ healthy laughter is a healing factor; 3/ goals are achievable, even by me; 4/ God's love is the source of strength and courage to move forward. Find comfort in joining others on the same journey of discovering.

7:00 pm – 8:30 pm
