**As the JUBILEE of MERCY YEAR designated by Pope Francis draws near to a close, it is comforting to reflect upon the Message:** Pope Francis called this particular Extraordinary Jubilee of Mercy to direct our attention and actions "on mercy so that we may become a more effective sign of the Father's actions in our lives . . . a time when the witness of believers might grow stronger and more effective".

Because this is the time for mercy, it is the favorable time to heal wounds, a time not to be weary of meeting all those who are waiting to see and to touch with their hands the signs of the closeness of God, a time to offer everyone, everyone, the way of forgiveness and reconciliation. May the Mother of God open our eyes, so that we may comprehend the task to which we have been called; and may she obtain for us the grace to experience this Jubilee of Mercy as faithful and fruitful witnesses of Christ."

As we approach Advent Season, may we as God's chosen continue to reflect upon God's Mercy and His presence in our lives.
